

MMM Theme Song

Lyrics & Music By: Brian Haner

Everybody gather 'round, come and join right in.
It's time to have a party, and we're ready to begin.
We're gonna have a lot of fun and sing a song or two.
I've got an invitation here, especially for you.

Music, Movement, Magination.
Come and join the celebration.
Everybody gets a chance, lets all take a turn.
We have got so much to share, come feel the magic in the air.
We can do most anything, when we make it fun to learn.

Music, Movement, Magination.
Come and join the celebration.
Everybody gets a chance, let's just take a turn.
We have got so much to share, come feel the magic in the air.
We can do most anything when we make it fun to learn.
